Information

Dress Code - smart, stylish - No need for ties, unless you really want one! Tailored shorts perfectly fine. For the ladies - we'll be outside so flat shoes probably best. Feel free to dress up/down as much as you want! It will be warm, but there will be a breeze.

Parking - lots of parking before you enter the Castle walls at Figline - on the left hand side. Signposted and of course, free.

Supermarket/ Amenities - nearest town is San Casciano Dei Bagni - 4.8km, 11 mins. Here you will find multiple grocery shops, bank, post office, pharmacy, newsagent etc - more info at <http://www.sancascianobagni.com/shop/>

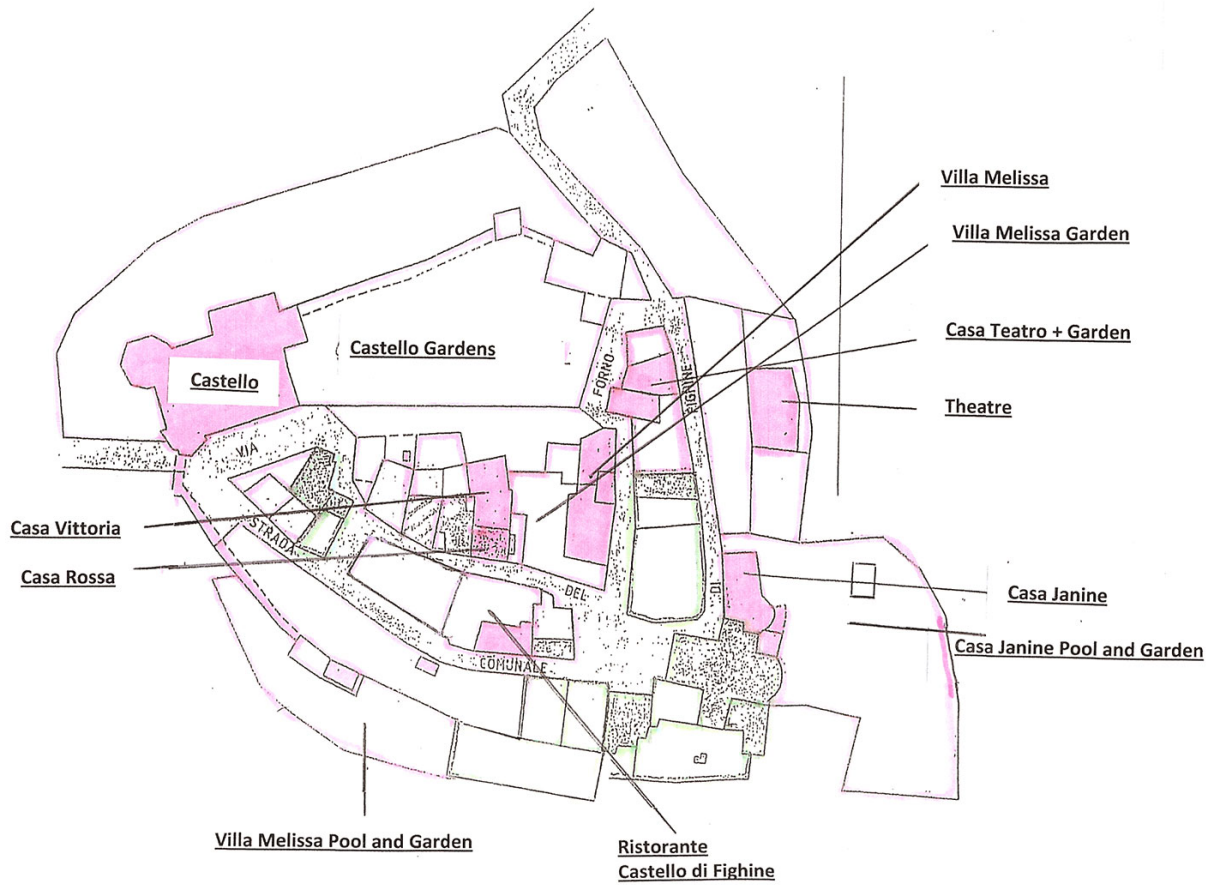

Restaurants and Bars - quite a few in San Casciano - we'd recommend Restaurant Daniela, Restaurant La Fontanella and Blue Eyes Pizzeria/Bar. Whilst in the town, visit Bar Centrale for an Aperol and Ice cream! Coffee and cake lovers - try Il Campanile - you won't regret it!

Places to Visit -

- Cetona (30 mins)
- Montepulciano (1hour)
- Pienza (1 hour)
- Orvieto (1hour 15 min)
